

Hot tip!

When making tea or coffee, use your mug to measure how much water to put in your kettle

Microwave! It's a sucker!

Turn devices off at the plug

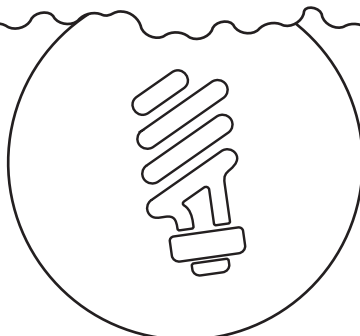

Hang in there!

Dry your clothes on a maiden or washing line when you can

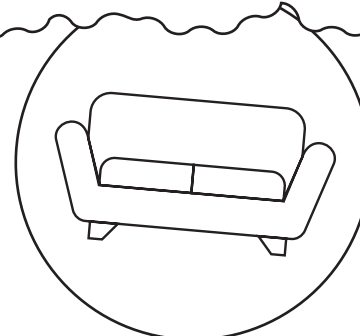

Save loads on your loads!

Use the eco setting when you wash your clothes

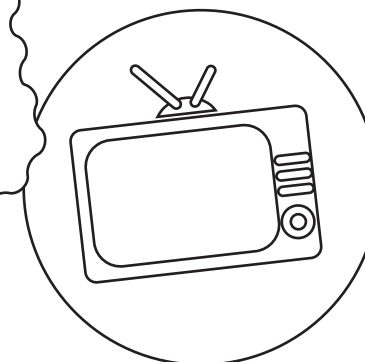

Bright idea!

Swap your old bulbs for LEDs

Scooch over!

Pull your couch away from the radiator to keep your room warmer

Watch it!

Turn your TV off at the plug when you're not watching
